+916309614151

Hyderabad, India

in immanisrisatyasai

Satya5122

SKILLS

Java Python C++ C
OOPS Data Structures
Php MySQL

ABOUT ME

A highly disciplined and hard working student looking for a responsible position where I could work with an entrepreneurial spirit while effectively contributing to the organization's goals and enhance my skills in a continuous manner

EDUCATION

FAMILIAR TOOLS

Eclipse IDE VSCode GIT

STRENGTHS

Logical Thinking Listening
Fast Learner Responsible
Self Motivated
Respectful Determined
Time Management Dedicated
Focused

LANGUAGES

Lang 1: English

Lang 2: Hindi

Lang 3: Telugu

MOST PROUD OF

2 star coder in LeetCode

B.Tech Information Technology | Vellore Institute of Technology -Vellore

06 2018 – 08 2022

TamilNadu, India

GPA: 7.93

Senior Secondary Education | Sri Chaitanya College

05 2016 – 05 2018

AndhraPradesh, India

Percentage: 96.7

PROJECTS

Hybrid AES-Script Algorithm using python |

- Proposed a novel Key System for the existing AES.
- This novel Key System is secured with Script hashing algorithm.
- We implemented AES encrypting and decrypting using my novel Key System on a text file.

Implemented a Keylogger using python |

- This is a Keylogging System where all the user inputs are recorded in an encrypted pdf file.
- This system is specially designed for monitoring user activity where the higher official will receive the complete report of the user activity by the end of the session.

CERTIFICATIONS

- Crash Course On python: Certificate at Satya5122/python-certificate

INTERESTS

- Competitive Coding
- Emerging Technologies
- Gardening
